

HENRY HEXIPUS

RA1760W

PRODUCT INFORMATION

Henry helps his friends to collect their treasure! Children rotate this activity to navigate the various 'treasure-pucks' through the underwater channels and into their 'home-pockets'. Mapping, matching, and patterning – and plenty of hand-eye coordination. A great game to help young readers develop early literacy skills. Age appropriate for children four to nine years of age.

DIMENSIONS

Size: 25-1/2" (65cm) in diameter x 3" (7.5cm) d
